## Spanish Vowels

Scan for audio.

Trace the Letters. Look at the picture and listen to the pronunciation of each word. Then say the word aloud.

I	J	K	E
insecto	jardín	koala	león
			
M	N	Ñ	O
mapa	natural	piñata	oficina
			

☀️ ¡Swag Alert! ☀️

A double LL in Spanish makes a Y sound. Llamo sounds like yamo.

The Ñ sounds like "in yo face!"

P	Q	R	S	T
planeta	químico	radio	secreto	tráfico
				
U	V	W	X	Y
uniforme	volcán	wifi	examen	yogurt
				

Z

zoológico

☀️ ¡Swag Alert! ☀️

The "ch" blend in Spanish always sounds like the "ch" in English words like church or march. It doesn't ever change to a "sh" sound like it does in the English pronunciation of Chicago or machine.

A double RR is rolled, and the Z is pronounced like a S.
